

ENTREPRENEURS DON'T TAKE SNOW DAYS, **NEITHER DO WE.**

Business never sleeps. It is always moving, always evolving, endlessly surprising.

What worked yesterday is no assurance of success tomorrow. You have to think three steps ahead, second guess everything, and be ready to change direction at any moment. That's just the way business works today. Performance comes down to speed and flexibility. And if your business partners don't have it, neither do you.
