

Christopher M. Marrone

Christopher M. Marrone's legal practice spans a diverse area of law including Real Estate, Intellectual Property, and Corporate and Business Transactions. In addition to the myriad of legal knowledge he offers, Christopher has a technical background as a chemical engineer. Coupled with his entrepreneurial spirit, this skillset allows him to better understand and serve the business community. He has counseled an array of clients and industries, including: Dental Practices, Restaurant/Food Service, Retail, Universities, Medical, Business Owners and Financial Institutions.

Christopher Marrone is an attorney who cares about his clients and his community. His professional and personal philosophy includes giving back in ways that make a meaningful difference to the local and global communities to which he dedicates his practice.

General Corporate

Prior Experience

Christopher graduated from Drexel University in 1994 with a Bachelor of Science in Chemical Engineering and Minor in Chemistry. Christopher gained technical experience as an Engineer during his cooperative education at Drexel and post-graduation with Arco Chemical Group, FMC, and The Department of the Navy, Naval Facilities Engineering Command.

In 1996 Christopher ventured to Law School and upon his graduation from Widener University School of Law in 1999, he was employed as an Intellectual Property Attorney with Caesar, Revise, Bernstein, Cohen and Pokatilow. He concentrated his practice in the area of patents, trademarks, copyrights, trade secrets, and unfair competition law.

In 2002, Christopher founded The Law Offices of Christopher M. Marrone, LLC. In addition to servicing clients as an Intellectual Property Attorney, Christopher expanded his practice to include more diverse areas of law including Real Estate, Corporate and Business Transactions, Personal Injury, and DUI & Criminal Defense. In 2013 he merged his practice with the Marrone Law Firm, LLC where he remains "of Counsel."
